Our team aims for NCSkiClub members to have an affordable vacation with friends; join us for any level of skiing or relaxing – a representative will be on each vacation to help you.

WELCOME TO 2019/2020 NC SKI CLUB VACATIONS

Our team aims for you to have a great time whether you are coming by yourself, with friends or with family. Everyone has different preferences which are addressed through options you can choose in flights, accommodation or lift tickets, along with the variety of destinations we plan for the season.

We are a team of four who work to make your vacation a memorable event. We organize group events for our skiers to choose from, or you can spend the entire week on your own. Experience has identified some key factors of great ski vacations that we try to address: comfortable transportation, accommodation with ski-in/ski-out, a breakfast or kitchen, and of course places for après-ski. Now, if only we could control the weather!

Taking all the options into account, NC Ski Club aims for making ski vacations affordable. We do not stay in the high-end hotels or have the first-class air seats. Extra events and costs at the resort are your choice to sign-up for. Our aim is for you to have fun on the vacation, meet others in our group, and laugh. If you are on your own and you don't want to pay for single occupation, let us know and we will find you a roommate.

The number of people we take on each vacation is limited, and demand for NC ski vacations is high each year. For this reason, we cannot guarantee availability on the ski vacation of your choice. If you are interested in joining any of our ski vacations, please become a member of the ski club, and apply for your ski vacation get-away as early as possible.

HOW TO APPLY FOR THE NC SKI CLUB VACATIONS

These vacation deals are only available to NC Ski Club members. NC Ski Club now allows on-line registration for Membership and Vacations. Become a member by registering on our web site: <http://www.ncskiclub.ca/membership.html>. Once your registration is confirmed, you will have access to the members-only website, chose the vacations you want to join us on, and follow the registration instructions. This means less paperwork and makes it easier for you to apply. Each vacation has limited capacity so you should apply as soon as possible.

The advertised price is the all-inclusive price; this may increase or decrease, depending on your optional choices. Payments will not be done through the registration system. Payments must be made to the wholesaler for that trip, not to the ski club. As the NCSkiClub does not have an office, payments should be submitted to the ski club at the address on the form. The date, time and location of any other payment locations will be announced to those whose applications are accepted.

Most of our vacations have get-togethers prior to the date of departure both to answer any questions you may have, and to meet your fellow skiers on the trip.

Season 2019/2020 has us going to Revelstoke, B.C., Mont Ste. Anne, QC, Banff, AB, and Avoriaz, France. Registration is limited for each trip, so don't wait too late to make your choices. IKON ski passes are good at Revelstoke and Banff. If you have an IKON pass, choose the option of "No Lift Ticket" in your application, and save up to \$370.
