Owner Description

Year Purchased: 2004

We fell in love with the Tremblant region and La Conception many years ago and finally were able to secure our dream chalet in 2004. It's extremely peaceful (so quiet that we sometimes sleep into 9:00 am) yet close enough to all the excitement we care to enjoy. The lake is wonderful for morning swims (in the summer) and for having family hockey games in the winter. It's perfect for family time together.
