

## CASTER PAD INSTALLATION INSTRUCTIONS: RFM-3C-B-30 (RFM SERIES 30 CABINETS) RFM-3C-B-24 (RFM SERIES 24 CABINETS)

**Step 1:**  
If equipped, remove side panels from cabinet

**Step 2:**  
Note: there are 2 mounting holes in the cabinet base flange which the side panels sit on. (See diagram)

**Step 3:**  
Note: there are 2 mounting holes in each caster pad, each with a nut attached on the underside.

**Step 4:**  
With the attached nut facing the underside, position the caster pad under the flange in the base of the cabinet and line up the mounting holes. (see diagram)

**Step 5:**  
Ensure the hole in the cabinet base flange and the nut on the bottom of the caster pad are aligned, and fasten using the supplied screw.

**Step 6:**  
Repeat, from step 4, with Remaining holes until caster pads are secured to cabinet.
